**Subject:** FCR timeline & notes

Hi folks, here is a draft simplified timeline on FCR activities base on our conversation last week. Please let me know if changes are needed or helpful. I have also made a short list of white-board items that don't fit on a timeline... additions/clarifications here would be welcome as well.

Ted is meeting with tribe on Thursday to let them know what we're thinking and to discuss issues... so this could change.

**- Tom**
